Kamai – Your Daily Partner in Baby Care

For over 20 years, Kamai has been delivering high-quality baby care products to the Polish market. Designed to support everyday hygiene and development, our carefully selected range reflects years of experience, a deep understanding of parents' needs, and attention to every detail.

Our product portfolio includes bathtubs, potties, toilet seat adapters, step stools, mini-toilets, as well as children's tables and chairs — everything to ensure daily routines are safe, comfortable, and enjoyable for the child.

Our products stand out due to a wide range of features, making them a reliable choice for everyday use:

- **Safe Materials:** Made from high-quality, BPA-free plastic and free of other harmful substances — safe even for the youngest users.
- **Anti-slip Features:** Sturdy construction and rubber finishes prevent slipping, enhancing product safety.
- **Ergonomic Design:** Each product is designed for optimal comfort and natural posture, from bathtubs to potty seats.
- **Child-Friendly Aesthetics:** Cheerful colors and playful motifs support adaptation to daily routines and encourage independence.
- **Easy to Clean:** Smooth surfaces and smart design features make cleaning quick and hygienic.
- **Wide Selection & Versatility:** A broad product range allows for complete furnishing of children's spaces — combining aesthetics with practical functionality.

Kamai is a brand you can trust — we prioritize quality, functionality, and care at every stage of a child's development.

LUNA COLLECTION

tables and chairs for children

The Perfect Set for Children: For Home, Garden, and Preschool

The LUNA set is a practical and aesthetic solution designed with the youngest in mind. It provides a comfortable and safe space for learning, drawing, play, and developing creativity. Made from durable, lightweight plastic with a smooth surface, it is easy to clean and convenient for everyday use.

The chair is ergonomically designed — it features a comfortable backrest and stable legs that support proper posture. The table, in turn, has a height tailored to the child's age and a large work surface.

The set works perfectly both at home and in kindergartens or outdoors — it is resistant to weather conditions and easy to move. Bright colors and the ability to decorate with stickers make this furniture a favorite play spot for every child.
