Torch Oils and Gel Firelighters

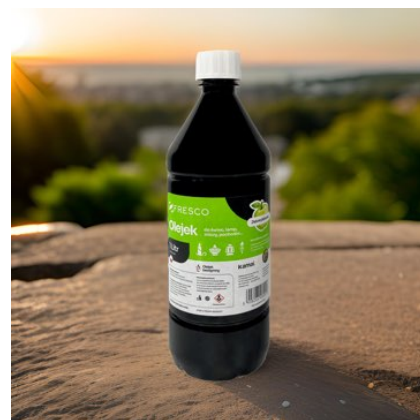

FRESCO is a brand offering two products designed to provide convenience and efficiency for everyday outdoor use. Our **eco-friendly** solutions include **torch oils**, available in scented, unscented, and anti-mosquito formulas, as well as a **gel firelighter**, perfect for quickly igniting fireplaces, grills, and bonfires, both indoors and outdoors.

FRESCO Torch Oils

FRESCO oils are the perfect fuel for all wick torches, **available in scented, unscented, and anti-mosquito variants that effectively repel insects**. Smokeless and efficient, they ensure a pleasant experience in the garden, on the terrace, or during outdoor gatherings. These products are ideal for outdoor use, creating a warm and cozy atmosphere while also providing protection against mosquitoes.

FRESCO Gel lighter

The eco-friendly FRESCO gel firelighter **is an effective solution for lighting grills, fireplaces, or bonfires**. It can be safely used both indoors and outdoors, as it does not emit toxic fumes or unpleasant odors. With its fast action and ease of use, the FRESCO gel firelighter allows for effortless fire starting in any conditions, ensuring comfort and safety.

Comprehensive Production and Customization of Torch Oils and Firelighters

We specialize in **the production of torch oils and gel firelighters** and can supply any quantity of products, tailored to your requirements.

We offer a full range of packaging customization services. This includes label design, print coordination, and applying finished labels to the products.

We adapt to your individual needs, ensuring fast turnaround times and competitive prices. We handle both small and large orders, providing professional support at every stage – from design to the finished product.

Thanks to our experience, we provide:

- Translation of labels into any language, ensuring compliance with all local regulations.
- Creation of labels aligned with your brand's visual identity.
- Production and application of labels on products according to your specifications.
