Kamai – Expert in Sanitary and Pool Solutions

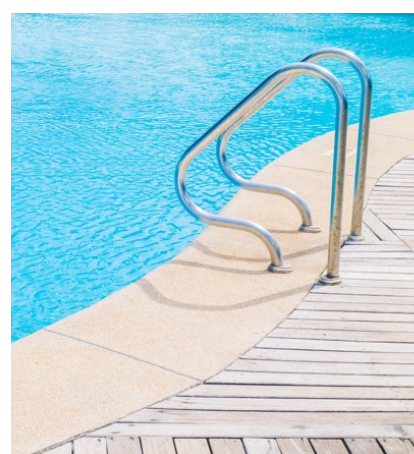

Kamai specializes in providing high-quality products for portable toilet maintenance and sanitary systems in motorhomes, camper trailers, buses, yachts, and other vehicles.

We also offer effective pool water treatment solutions that help maintain cleanliness and user comfort. Our products are carefully developed to meet hygiene and safety requirements in various conditions.

- **Effective Performance:** Our chemical agents are designed to efficiently remove contaminants, ensuring cleanliness and hygiene.
- **Compatibility with Various Systems:** Kamai products are suitable for a wide range of applications, from portable toilet cabins to sanitary systems in motorhomes and yachts, providing versatility and convenience.
- **Safety and Quality:** Our solutions meet safety standards and are certified for compliance with European regulations, ensuring reliability and user confidence.
- **Easy Pool Maintenance:** Kamai offers reliable water treatment solutions that help keep pool water clear and safe, making maintenance simple and effective.

With years of experience and a commitment to developing modern technologies, Kamai offers products with exceptional effectiveness and durability. We ensure that our solutions are not only highly efficient but also easy to use, making them the perfect choice for both commercial and private use.

Our products are available in various formulations and sizes, allowing customers to choose the best option to meet their specific needs.

RO-206AMS AIR MAGIC STRONG

- Guaranteed Quality and Performance
- Advanced odor control formula
- Strong, pleasant, and long-lasting fragrance
- 100% biodegradable
- Available Scents: Cherry, Bubble Gum, Red Fruits, Spicy Cinnamon, Soft Lemon, Juicy Mango, Ocean Mist, Pure Fresh
- Available Sizes: 1L, 25L, 215L, 1000L

RO-230S BLUE SACHETS SUPER

- Easy-to-Use Dosing Control
- Advanced odor control formula
- Strong, pleasant, and long-lasting fragrance
- Aids in breaking down paper and waste
- Facilitates easy tank emptying
- Non-staining dark blue color
- Formaldehyde-free, 100% biodegradable
- Suitable for moderate temperatures and traffic
- Ideal for event management
- Available Scents: Cherry, Bubble Gum, Soft Lemon

RO-230E BLUE SACHETS EXTRA

- Easy-to-Use Dosing Control
- Advanced odor control formula
- Strong, pleasant, and long-lasting fragrance
- Aids in breaking down paper and waste
- Facilitates easy tank emptying
- Non-staining dark blue color
- Formaldehyde-free, 100% biodegradable
- Designed for high temperatures and frequent toilet use
- Ideal for event management
- Available Scents: Cherry, Bubble Gum, Soft Lemon

RO-220 STRONG RED

- Guaranteed Quality and Performance
- Quickly and easily removes cement, limescale, urine deposits, rust, mold, algae, and more
- 100% biodegradable
- Available Sizes: 1L, 5L, 10L, 25L

RO-221 SPECIAL GREEN

- Highly Concentrated Active Foam
- High efficiency and effectiveness
- Quickly and easily removes road dirt, oil stains, organic contaminants, and more
- Fruity scent
- 100% biodegradable
- Available Sizes: 1L, 5L, 10L, 25L

RO-45 GRAFFITI REMOVER

- Guaranteed Quality and Effectiveness
- Quickly and easily removes paint stains, markers, ink, pencils, adhesive tapes, stickers, and more
- Free from harmful aerosols
- Fruity scent
- 100% biodegradable
- Available Sizes: 1L, 5L, 25L

Products for Motorhome and Caravan Toilets

Blue Magic Aut

- Deodorizing Treatment for Portable, Cassette, and Stationary Toilets
- Designed for use in motorhomes, caravans, buses, and yachts.
- Eliminates unpleasant odors, leaving a long-lasting fresh scent
- Reduces gas formation
- Facilitates easy tank emptying
- Keeps your toilet clean
- For larger tanks, use proportionally larger doses.

Green Magic Bio

- Deodorizing Treatment for Portable, Cassette, and Stationary Toilets
- Designed for use in motorhomes, caravans, buses, and yachts.
- Eliminates unpleasant odors, leaving a long-lasting fresh scent
- Reduces gas formation
- Facilitates easy tank emptying
- Keeps your toilet clean
- For larger tanks, use proportionally larger doses.

Flush Magic

- Deodorizing Treatment for Portable, Cassette, and Stationary Toilets
- Designed for use in motorhomes, caravans, buses, and yachts.
- Refreshes flush water, leaving a pleasant and fresh scent
- Enhances flushing efficiency and prevents deposits on the inner walls of the flush tank
- Keeps your toilet clean
- For larger tanks, use proportionally larger doses.

Blue Magic Trip

- Deodorizing Treatment for Portable, Cassette, and Stationary Toilets
- Designed for use in motorhomes, caravans, buses, and yachts.
- Eliminates unpleasant odors, leaving a long-lasting fresh scent
- Reduces gas formation
- Facilitates easy tank emptying
- Keeps your toilet clean
- For larger tanks, use proportionally larger doses.
- Can be used in the flush tank at a ratio of 20ml per 10L of clean water.

Flush Magic Spray

- Ensures hygienic cleanliness and freshness in the toilet
- Prevents buildup of deposits and limescale while masking unpleasant odors
- Specially developed formula leaves a protective film, making flushing easier with less water
- Spray directly into the toilet bowl
- Suitable for both plastic and ceramic toilets
- Shelf life: 3 years from the production date
- Capacity: 500 ml

Clean Bathroom

- Ideal for daily cleaning of sanitary facilities in motorhomes, caravans, yachts, and buses
- Suitable for toilet bowls, sinks, shower cabins, ceramic tiles, chrome surfaces, plastics, and porcelain
- Effectively dissolves limescale, grease, and lipid deposits
- Removes soap residues and rust stains
- Safe for surfaces, leaving a shine and a fresh scent
- Shelf life: 3 years from the production date
- Capacity: 500 ml

Clean Toilet Bowl

- Designed for daily maintenance of toilet bowl cleanliness
- Ready-to-use formula effectively dissolves limescale, urine deposits, soap residues, and grease
- Neutralizes unpleasant odors, leaving a fresh scent
- Specially developed formula creates a protective film, making flushing easier with less water
- Shelf life: 3 years from the production date
- Capacity: 750 ml

Clean Tanks

- Designed for use in motorhomes, caravans, and yachts
- Removes naturally accumulated limescale and grease deposits without mechanical intervention
- Recommended use: 2-3 times per year to prevent excessive buildup
- Shelf life: 3 years from the production date
- Capacity: 500 ml

Orange Magic – Grey Water Refresher

- Designed for use in motorhomes, caravans, and yachts
- Effectively reduces deposits, buildup, and grease contamination in pipes, hoses, and tanks, making emptying easier
- Eliminates unpleasant odors, leaving a fresh citrus scent
- Shelf life: 3 years from the production date
- Capacity: 500 ml

Blue Magic Aut Sachets

- Convenient, easy-to-use water-soluble sachets for waste tanks
- Eliminate unpleasant odors, leaving a long-lasting fresh scent
- Special formula aids in breaking down waste and toilet paper, making tank emptying easier
- Biodegradable
- Shelf life: 2 years from the production date
- Quantity: 20 sachets

Royal Soft

- Designed for use in motorhomes, caravans, yachts, buses, and portable toilets
- Two-ply, roll length over 40m
- Quickly dissolves to prevent clogs
- Soft yet durable
- Facilitates easy tank emptying
- Available pack sizes: 6 / 12 / 24 rolls

Stain Remover

- Convenient and effective for removing black streaks, stains, insect and bird residue, and other tough contaminants
- Designed for exterior surfaces of motorhomes, caravans, yachts, buses, and other vehicles
- Safely cleans without damaging paint, seals, or plexiglass
- Especially effective against vertical black streaks caused by rain and rubber elements from roof gutters, portholes, and side windows
- Capacity: 500 ml

Clean Awning

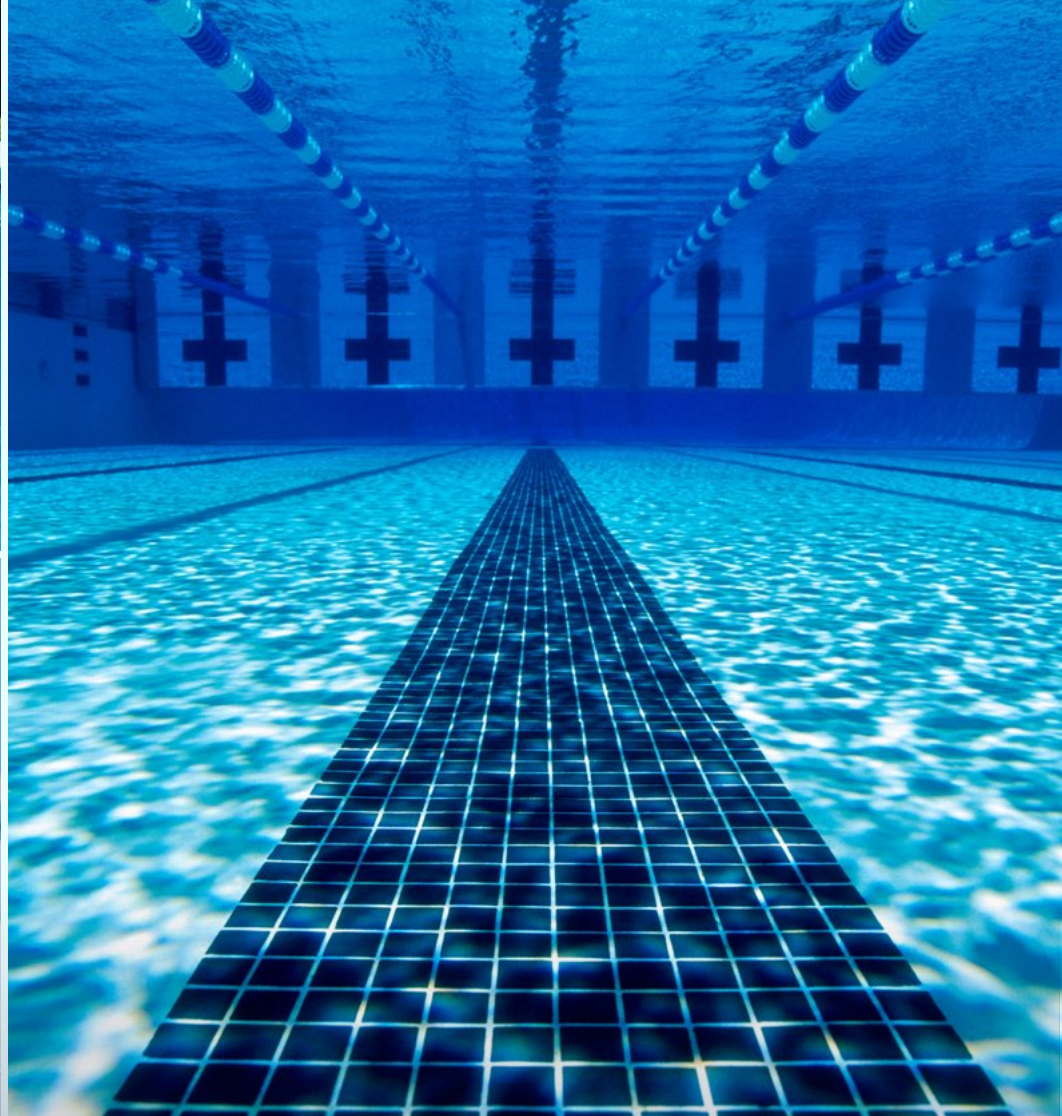

- Convenient and effective for removing stains and dirt caused by weather, leaves, insects, bird droppings, and more
- Easy-to-apply foam/spray formula requires minimal effort
- Works instantly upon contact and stays on the surface longer for easier cleaning
- Non-toxic, does not cause discoloration or damage to fabric coatings, and is environmentally friendly
- Regular use helps maintain the aesthetics and functionality of fabrics over time
- Capacity: 500 ml

RV Shampoo

- Effectively removes black streaks, road dirt, insect residue, grease, smog, and moss
- Maintains the natural surface appearance—preserving both gloss and matte finishes
- Safely cleans without damaging paint, plastics, adhesives, seals, or plexiglass
- Especially effective for vertical black streaks caused by rain and rubber elements from roof gutters, portholes, and side windows
- Environmentally friendly
- Capacity: 500 ml

Swimming Pool Maintenance Products

CHLOROSHOCK

- Granulate for water disinfection.
- Fights algae, bacteria, fungi
- Active substance: Sodium dichloroisocyanurate dihydrate 1000 mg/g (active chlorine 550mg/g-650 mg/g) CAS: 51580-86-0, WE: 220-767-7
- The preparation can be used in automatic dosing stations.
- Form of preparation: granulate 1 kg

FLOKER

- Designed for water clarification and coagulation of impurities
- Restores water transparency and clarity
- Ideal for use when water remains cloudy despite correct pH and disinfectant levels (chlorine or active oxygen)
- Can be used in automatic dosing systems

GLONEX

- Preparation for combating algae, bacteria and viruses in swimming pools.
- Composition: 100 g of the preparation contains: active substance 6 g N-methylmethanamine polymer (EINECS 204-697-4 with (chloromethyl)-oxirane (EINECS 203-439-8)/quaternary polymeric ammonium chloride (PQ polymer)
- The preparation is recommended for use in both outdoor and indoor swimming pools.
- It keeps the water clean and prevents the formation of algae and destroys existing ones.

OXYTAB

- Oxygen tablets for disinfection of swimming pool water.
- Active substance: Pentapotassium bis(peroxymonosulfate) bis(sulfate) CAS: 70693-62-8, EC: 274-778-7. 1000 g of the preparation contains 860 g - 960 g of the active substance
- Form of the preparation: 20 g tablets

pH AQUA PLUS

- Granules for increasing the pH level of swimming pool water.
- The product does not contain chloride ions.
- It can be used in recommended concentrations with other pool maintenance products.

pH AQUA MINUS

- Liquid for lowering the pH level of swimming pool water.
- It can be used in recommended concentrations with other pool maintenance products.
- The pH AQUA MINUS formula does not contain chloride ions.

BRINK

- Alkaline concentrate for cleaning swimming pools.
- Effectively removes greasy, aged dirt without damaging pool liners, ceramic tiles, or other materials.
- Contains inhibitors that significantly slow down the corrosion process of metal components.
- BRINK can be used with high-pressure cleaning equipment.

CHLOROTAB

- Chlorine tablets for long-term disinfection of swimming pool water.
- Composition: 1000 g of the product contains 970 g of active substance – symklosen CAS: 87-90-1, WE: 201-782-8 [active chlorine content min. 800 g], copper sulfate, aluminum sulfate, boric acid
- Form of the preparation: tablets
- The preparation can be used in automatic dosing stations.

RO-400 COMBO FC

- Acidic cleaner for deep cleaning of pool surfaces and sanitary facilities.
- An acid-based formula containing hydrochloric and phosphoric acid, designed to remove water scale deposits, urine residues, rust, and other stubborn dirt from pool edges, sanitary facilities, and various surfaces.
- Contains: Hydrochloric acid, phosphoric acid, non-ionic surfactants <5%, cationic surfactants >5%.

RO-400P COMBO FCP

- Acidic cleaner for deep cleaning of pool surfaces and sanitary facilities.
- Designed to remove water scale, urine deposits, rust, and other stubborn dirt from pool surfaces, sanitary areas, and other acid-resistant surfaces. The product is intended for manual and machine cleaning as well as periodic deep cleaning of heavy dirt.
- Combo FCP fumes have a corrosive effect.
- Contains: Hydrochloric acid, phosphoric acid, non-ionic surfactants <5%, cationic surfactants <5%, amorphous surfactants.

RO-403 SAUNA

- Wood cleaner for saunas. Brightens and refreshes.
- Contains active oxygen. Has a brightening effect on wood.
- Contains: Hydrogen peroxide, preservatives (Benzalkonium Chloride).

RO-404 ROSOFT POOL A

- The preparation prevents the formation of limescale and rust and removes existing deposits.
- Protects against damage caused by corrosion in pipes and heat exchangers.
- Protects the filtration system from limescale buildup.
- Contains: Etidronic acid, potassium hydroxide.

RO-401 TKR

- Cleaning agent for daily removal of dirt from pool surfaces.
- Designed for daily cleaning of pool surfaces, showers, toilets, and other areas.
- Provides both degreasing and descaling effects.
- Contains: Sulfamic acid, citric acid, anionic surfactants <5%, non-ionic surfactants <5%, phosphonates <5%.

RO-402 UNI

- Alkaline cleaner for removing greasy deposits on the waterline.
- Super-concentrated, alkaline cleaner designed to remove greasy deposits on the waterline, as well as from the pool basin and deck.
- The product has excellent cleaning properties and is perfect for washing lane ropes.
- Contains: Potassium hydroxide, quaternary ammonium compounds, benzyl C12-C16-alkyldimethyl, chlorides.

ALKASOL UNI

- Cleaning and disinfecting concentrate for removing greasy deposits from the waterline, pool basin, and pool deck.
- Suitable for cleaning lane ropes.
- It has excellent cleaning properties and effectively removes greasy, aged dirt.
- The product does not damage pool liners or ceramic tiles, and the included inhibitors significantly slow down the corrosion process of metal parts.
- Can be used in high-pressure cleaning equipment.

ALKASOL SAUNA

- Oxygen-based cleaner for wooden surfaces in saunas.
- Safe to use, with wood-brightening properties.

CALCID TK-4

- Acidic, eco-friendly cleaning and disinfecting gel for pool surfaces.
- Removes dirt from pool surfaces (safe for contact with pool water) as well as stains in washrooms, showers, and toilets.
- Suitable for cleaning stainless steel.
- Effectively removes all types of dirt – combines the degreasing action of an alkaline agent with the descaling power of an acid.
- Provides shine, leaves no streaks, and does not wash out grout.
- Safe to use, does not cause burns.

CALCID KOMBI

- Highly concentrated, acidic cleaning and disinfecting agent for deep cleaning of pool surfaces.
- Removes water scale deposits, uric acid, and rust.
- Leaves a shine on cleaned surfaces.
- Safe for contact with pool water.
- Caution is advised during use due to its adverse effects on polished natural and artificial stones, tiles, and enamel.
- CALCID KOMBI fumes have a corrosive effect.
- For daily cleaning, the eco-friendly and safe-to-use CALCID TK4 is recommended.

ALKASOL EXTRA

- Alkaline disinfectant for equipment, tools, and surfaces in hospitals and the food industry.
- Can be used for disinfecting surfaces that come into contact with food and animal feed.
- Provides broad-spectrum bactericidal, fungicidal, and virucidal action.

AQUA BIOCYD G-1

- Concentrate for eliminating algae, bacteria, and viruses in swimming pools.
- A powerful disinfectant that effectively destroys algae, bacteria, and viruses while preventing their formation.
- The use of Biocide G-1 enhances water clarity.

DERMACID

- Concentrate for disinfecting hands, feet, shoes, and pool surfaces.
- A bactericidal and fungicidal preparation that also has anti-algae properties.
- Contains quaternary ammonium salts.

DISINFECTANT PREPARATION MD-1

- Preparation for disinfecting hands and feet.
- Can be used preventively against foot and body fungus.
- The product may react with materials sensitive to alcohols.
- Contains quaternary ammonium salts.

CHLOREX

- Chlorine-based preparation for disinfecting water in swimming pools.

ALKASOL pH PLUS

- Granular preparation for increasing the pH of water in swimming pools.
- Does not contain chloride ions.

CALCID pH MINUS LIQUID 49%

- Liquid for lowering the pH of water in swimming pools.
- In recommended concentrations, it can be used with other cleaning agents.
- Does not contain chloride ions.

ALKASOL FLOK 100

- A coagulant for impurities in swimming pool water.

Get to know us better

For over two decades, we have specialized in the distribution of products for the home, garden, camping, and sports. Our assortment includes seasonal items for Christmas, Easter, and summer vacations. With modern technologies and proven processes, we ensure attractive margins, fast delivery, and flexible cooperation terms.

Our portfolio includes our own brands, well-known to customers in Poland for many years, such as Christmas tree stands, fence tapes, camping coolers, and torch oils. Additionally, we are distributors of many renowned brands, including CADAC, BO-CAMP, Thetford, and DOMETIC.
