Professional packaging materials PROTECTO™

By choosing PROTECTO™, you opt for top-quality and attention to every detail. Our products not only provide effective protection for what matters most to you but also add a touch of elegance and eco-consciousness to every package.

- **Protection and sustainability:** made from 100% recyclable materials, this paper is an eco-friendly alternative to traditional bubble wrap.
- **Innovative structure:** special bubble-like protrusions effectively protect fragile items such as delicate family china or Christmas ornaments.
- **Versatility:** perfect not only for safeguarding valuable keepsakes but also as elegant gift wrapping or for creative projects.

BUBBLE PAPER

BUBBLE WRAP

CUT PAPER

PROTECTO™ Bubble Wrap

Bubble wrap is an effective material for protecting goods. We offer three widths: 20 cm, 30 cm, and 40 cm, allowing for a perfect fit for various items.

Each roll is 3 meters long, with a bubble diameter of 10 mm, ensuring reliable shock protection. With a weight of 30 g/m², it provides durability. Made in Poland.

Full packaging customization and brand adaptation

We specialize in producing packaging materials for both B2B and B2C sectors. Our products are widely used in warehouses, florists, moving companies, and online stores in the construction industry. You can also find our products in leading home improvement and garden retail chains.

We invite you to collaborate with us and offer attractive conditions for your business. Our comprehensive packaging customization service includes label design, print coordination, and application of finished labels on products. This ensures that your product is perfectly aligned with your brand.

We adapt to your individual needs by offering fast turnaround times and competitive prices. We handle both small and large orders, providing professional support at every stage – from planning to the final product.

With our experience, we guarantee:

- Translation of labels into any language, ensuring compliance with all local regulations.
- Creation of labels that align with your brand's visual identity.
- Production and application of labels on your products.
